

# Emoji Task - Peer Feedback Tool

Feedback for: \_\_\_\_\_

Feedback from: \_\_\_\_\_

## Have the following code requirements been met?

### Functions and Keyword Parameters:

- |                                    |                                      |                                    |
|------------------------------------|--------------------------------------|------------------------------------|
| <input type="checkbox"/> Rect()    | <input type="checkbox"/> Label()     | <input type="checkbox"/> roundness |
| <input type="checkbox"/> Circle()  | <input type="checkbox"/> fill        | <input type="checkbox"/> lineWidth |
| <input type="checkbox"/> Oval()    | <input type="checkbox"/> opacity     | <input type="checkbox"/> size      |
| <input type="checkbox"/> Star()    | <input type="checkbox"/> border      | <input type="checkbox"/> font      |
| <input type="checkbox"/> Line()    | <input type="checkbox"/> borderWidth | <input type="checkbox"/> bold      |
| <input type="checkbox"/> Polygon() | <input type="checkbox"/> rotateAngle | <input type="checkbox"/> italic    |

### Fill:

- |   |                                     |                                   |
|---|-------------------------------------|-----------------------------------|
| <input type="checkbox"/> Built-in color | <input type="checkbox"/> RGB Values | <input type="checkbox"/> Gradient |
|---|-------------------------------------|-----------------------------------|

### Errors:

Are there any syntax errors? \_\_\_\_ Are there any logic errors? \_\_\_\_

## Have the following design thinking requirements been met?

- ☐ Thoughtfully completed design planner.
- ☐ At least 5 versions of emoji, gradually developed over time.
- ☐ At least 5 versions of code, gradually developed over time.
- ☐ Commit messages / descriptions explicitly describe progress and next steps.
- ☐ Two changes based on peer feedback.
- ☐ One change based on troubleshooting.

## What's AWESOME?

Identify at least two items about your peer's work that impressed you.

## What's NEXT?

Describe at least two specific next steps for your peer to work on.
